

bouquet. Full-bodied yet elegant and equipped with plenty of finesse. Never voluptuous, always harmonious, and very mineralic. A juicy accompaniment to food with superb ageing potential.

DOMÄNE WACHAU

The Domäne Wachau is more dynamic than ever before since the duo Horvath and Frischengruber have taken the fate of this winery into their hands. Within just a short period of time the Domäne has risen to be among the very top wine producers on the Danube River. Essential to this success have been sustainable viticultural improvements and attentive quality management. The elevation and the steepness of individual vineyards is paid tribute and all plots are vinified separately. Manual harvest and meticulous sorting are essential for perfect fruit. The result is an unsurpassably diverse spectrum of Grüner Veltliner and Riesling that express the uniqueness and versatility of Wachau vineyard sites – top wines that are astounding the wine world. Despite the fact that the Domäne Wachau possesses the most modern vinification facility in the region, the time-proven philosophy of minimal intervention is still respected as the ideal. Convincing results can be seen and tasted. One has the opportunity to taste the complete product assortment daily in the on-premise wine shop: from the light, fragrant Muskateller to the complex Smaragd Grüner Veltliner, from the youthful sparkling Riesling to the aged Grüner Veltliner brandies. The wine shop offers a modern contrast to the Domäne's Baroque Cellar Palace just opposite. The legendary palace at the foot of the famous Kellerberg

vineyard is the well-suited venue for numerous events and eclectic wine tastings.

(95) Riesling Smaragd Ried Kellerberg 2017

95 Riesling Smaragd Ried Kellerberg 2016

Pale, slightly hazy green-yellow green with silver highlights. Peach and pineapple mingle with fresh orange zest, smoky minerality and dark spice. A sweetly extracted texture is elegantly structured with juicy acidity. Yellow tropical fruit nuances join in on the marvellously long finish. Still exhibiting a bit of baby fat and will benefit from further bottle maturation. Extraordinary ageing potential.

Medium, lightly hazy yellow with silver highlights. Delicate apricot and peach, but also exotic pineapple, mango and mandarin zest over a background of dark minerals. Complex, creamy and although dry, delicate fruit sweetness flavours the nicely textured body and is elegantly framed in succulent acidity. Incredible finesse, very good length and a very promising future.

- 100 Riesling Kellerberg TBA 2015**
 Brilliant amber with gold highlights. Ripe peach laced with botrytis spice and floral components, raisined fruit, abundant minerals and candied mandarin zest comprise a multifaceted bouquet. Lusciously sweet, concentrated and creamy while remaining incredibly elegant and well balanced due to the marvellous acid structure. Fascinating salty notes join in on a gorgeous finish that remains for several minutes. Precision, finesse and built for a very long and beautiful life.
