ROTER TRAMINER RESERVE 2019

This rare grape variety displays expressive aromas of tropical fruit and roses - a true rarity in the Wachau!

ORIGIN & TERROIR

Setzberg is a prime vineyard in the Wachau village of Spitz. It is situated right at the entry to the famous "Spitzer Graben". This valley leads north to the Waldviertel - one of the coolest parts of Austria. The soil is extremely poor and mainly consists of gneiss with only a thin layer of top soil. Cool air streams from the Spitzer Graben result in considerable fluctuations between day and night temperature and poor soil, yield wines with unique character and elegance.

VINTAGE 2019

The warm summer yielded cool wines. 2019 was mostly warm and dry but without any extreme weather. After an extended growth period, the fall brought low temperatures at night and ideal harvesting conditions. This should render elegant wines with a distinctive aroma profile and enormous potential.

VINEYARD & CELLAR

Work in the vineyard takes place based on sustainable and, increasingly, organic principles, without the use of insecticides or herbicides, and grapes are handpicked. After 18 hours of skin contact, the wine fermented in used 500l oak barrels and parts in a stainless-steel tank. After the natural end of fermentation, the wine matured for several months on the fine lees giving it extra finesse and complexity.

CHARACTER & STYLE

The aromas are of honeysuckle, sunflower, apricot blossom, and Chinese pear. The palate is spicy and lively with a strong, yet elegant body. The finish is long and well-integrated with fruit sweetness and hints of elderberry blossoms and wild roses. A wine that is full in style and complex, yet with a high level of elegance. Serve well chilled. This exotic wine harmonizes perfectly with most dishes of Asian cuisine such as lamb curry, a spicy Sichuan chicken or with "spicy prawns". It goes perfectly with Austrian cuisine such as game pies, beef roulades, roasted veal liver or venison ragout. Mediterranean dishes such as Cevapcici or Penne All 'Arrabiata are excellently supported by this Roter Traminer. It is also great fun as a soloist and provides a great taste experience.
