# GELBER MUSKATELLER TERRASSEN 2020

**Our ideal summer wine- aromatic, fresh and racy. A perfect aperitif.**

## ORIGIN & TERROIR

The ripe and aromatic grapes for this elegant and delicate Muskateller were harvested from vineyards throughout the Wachau valley. The "Terrassen" wines are blended from various steeply terraced vineyards and offer a perfect introduction to the unique wine style of the Wachau.

## VINTAGE 2020

Wines of the 2020 vintage show clear and precise character with a fresh, fruity note, although the harvest yielded only marginal quantities. What began as a dry, warm year turned into a summer that alternated between sunny and rainy periods, and in late August the Wachau suffered a severe hailstorm. It is especially vintages like 2020 that underscore how important it is to pick and carefully select grapes by hand.

## VINEYARD & CELLAR

Work in the vineyard takes place based on sustainable and, increasingly, organic principles, without the use of insecticides or herbicides, and grapes are hand-picked. The grapes are carefully selected and then processed in a pneumatic tank press, with the must then fermented under controlled temperature and aged on their fine lees in stainless steel tanks.

## CHARACTER & STYLE

A classic example of Gelber Muskateller! The aromas are of subtle citrus, elderflower, honey, mango and subtle hints of quince. On the palate is fresh and mouthwatering with a lively acidity and intense fruit. In Austria, Gelber Muskateller is most commonly consumed as with "aperitif". Well chilled the wine is wonderfully zippy and fresh. Best enjoyed in the first year after bottling Muskateller is an excellent companion to down-to-earth Austrian cuisine such as a crispy fried chicken with potato salad or trout "Müllerin"-style. The wine also goes well with Mediterranean dishes, for example a Pizza Marinara or a Gazpacho.
