WACHAU

CHARDONNAY RESERVE 2019

An exception in our assortment, but definitely still pure Wachau. Tightly meshed, compact, substantial and powerful - fermented in small oak barrels.

ORIGIN & TERROIR

The Chardonnay grapes are sourced from vineyards from the commune of Weissenkirchen. The vines grow on stone-walled terraces which are dominated by the cool marginal climate, meagre primary rock soils, partly pure gneiss and chalk layered soils.

VINTAGE 2019

The warm summer yielded cool wines. 2019 was mostly warm and dry but without any extreme weather. After an extended growth period, the fall brought low temperatures at night and ideal harvesting conditions. This should render elegant wines with a distinctive aroma profile and enormous potential.

VINEYARD & CELLAR

Work in the vineyard takes place based on sustainable and, increasingly, organic principles, without the use of insecticides or herbicides, and grapes are hand-picked. The grapes are carefully selected and then processed in a pneumatic tank press, with the must then fermented under controlled temperature and aged on their fine lees in stainless steel tanks. After a maceration period of six hours, fermentation took place spontaneously in a used 300L wooden barrel (French oak). The wine was then stored on the lees in small wooden barrels for 18 months.

CHARACTER & STYLE

Spicy and fruit driven on the nose, aromas of ripe peach, pure blossom honey, figs, hints of almond and brioche. Dry palate, salty, well-balanced, medium-bodied and a refreshing acidity. Hints of ripe yellow apple and subtle exotic notes. Salty minerality and wet flintstone. Well-balanced and creamy - the perfect food accompaniment. This Chardonnay provides depth, elegance and complexity. Serve well chilled at 10°C. This powerful Chardonnay is a pleasure to drink now, but also promises to age well for 3-4 years. This wine is the perfect accompaniment to seafood, poultry and pasta but also nice to enjoy on its own. This wine is the perfect accompaniment to fresh grilled Cheesburgers or to roast chicken, duck, goose, and other poultry dishes. It also accompanies Mediterranean dishes such as a hearty paella or creamy, spicy spaghetti carbonara. The wine also goes well with classic Austrian cuisine, as for example with a Zwiebelrostbraten (roast beef with onions) or bacon lentils with napkin dumplings. This Chardonnay Reserve also supports many Asian dishes such as "spicy prawns" or Thai satay gai (chicken skewers with peanut sauce).
