# FRESCO FRIZZANTE 2023

**A refreshing, fruity sparkling wine made from typical Wachau grape varieties. Ideal as an aperitif and for parties.**

## ORIGIN & TERROIR

Carefully selected grapes from vineyards throughout the Wachau valley are vinified to Fresco Frizzante. The grapes are hand-picked from both steep terraced vineyards and vineyards on the banks of the Danube. The wine reflects the unique climate and the poor primary rock soils of the Wachau.

## VINTAGE 2023

An exceptionally mild and dry winter was followed by a cool spring, which provided the soil with plenty of moisture. The vines benefited from this often during the hot summer days. Several hailstorms came through the region in what was a very good year until the Autumn. High September temperatures and the resulting ripeness was compensated for by cool October nights, so that in the end we were able to harvest ripe and healthy grapes. The result is balanced and harmonious wines with a rounder texture and complex, juicy aromas.

## VINEYARD & CELLAR

After gentle pressing and temperature-controlled fermentation the cuvée was created. CO2 was added to achieve a lively and fresh sparkling wine with a pleasant 'mousse'. A perfectly balanced style. Work in the vineyard takes place based on sustainable and, increasingly, organic principles, without the use of insecticides or herbicides, and grapes are hand-picked.

## CHARACTER & STYLE

Subtle and compact mousseux; On the palate, the Fresco Frizzante presents itself with a slim but elegant body, the acidity and the CO2 make the sparkling wine extremely lively; the well-integrated dosage complements it in a charming way. Delicate aromas of red apple, elderflower, and stone fruit on the palate. The tangy acidity and fizziness bring vibrancy and complexity to the wine. Serve well chilled - directly from the fridge. Fresco Frizzante is a perfect aperitif and party wine, the ideal accompaniment for light starters such as Serrano ham with melon or a beef carpaccio. It is the ideal summer wine, a beach refreshment par excellence, the thirst quencher in the pool, either pure or refined with a dash of Wachau apricot nectar.
